

Galley Common Infant School 2017-18

Pupil Premium

At Galley Common Infant School we are committed to promoting the progress and attainment of all our pupils, whatever their backgrounds.

The Pupil Premium Grant

Galley Common Infant School received a total of £18,520 for the period of September 2017 to August 2018 as a direct grant from the DFE.

During the academic year approximately 6% (9 children) of Galley Common Infant School children received free school meals, a further 3% were pupil premium plus. Listed below is a series of bullet points detailing how this funding has been allocated to Free School Meals (FSM) children:

- All classes in our school have additional support for 5 mornings and an afternoon per week. In Reception the classes have full time support. This ensures that the needs of our pupils can be met in small groups;
- Support is timetabled during the week to give 1:1, paired or small group support focusing on the individual needs of our pupil premium children.
- Our Higher Level Teaching Assistant provides intervention support for any children not making expected progress or reaching the national levels of attainment.
- We have a tracking system which enables us to track the progress of attainment of children in Reading, Writing and Mathematics on a termly basis. This is analysed to ensure that all children, whatever their backgrounds are able to access the curriculum and are making good or outstanding progress in their learning;
- We have provided funding for those children eligible for free school meals to take part in after school clubs free of charge (up to £50 per child per year).
- In Reception staff (and Year 1) are trained in Time to Talk and we have a speech and language champion.
- We have a nurture group run by two trained Teaching assistants 3 afternoons per week.

Impact of the Pupil Premium 2017-18

11 hours per week intervention groups	£9180
Nurture group staffing (2 x 6 hours per week)	£7037
Nurture group planning (2 x 1 hour per week)	£586
Individual allocation for clubs, trips, uniform based on 10 PP children)	£1500 (£50 per pupil premium pupil per term)

Total Expenditure: £18,303

(Remainder £217 to be spent on 1:1 support in class across the 3 classes.)

Current budget: £18,520

The charts below show the attainment and progress of our pupil premium pupils. The vast majority of children made at least expected progress from their starting points (with only one child not quite reaching their target in Reading and Maths in Year 1 – this is mainly due to the change in curriculums)

Attainment 2018-19

Year group	Reading			Writing			Maths		
	Em	Exp	Exc	Em	Exp	Exc	Em	Exp	Exc
Reception	1	2	0	1	2	0	1	1	1
Year 1	2	1	1	2	2	0	2	2	0
Year 2	2	3	1	3	2	1	2	3	1

Reception

Disadvantaged children received a lot of additional teaching assistant and class teacher support. The majority made good progress based on their starting points this year.

Children made at least satisfactory progress in reading, writing and maths compared to their starting points.

Reception Progress

	Reading				Writing				Maths			
	Aut 17	Spr 18	Sum 18	Overall	Aut 17	Spr 18	Sum 18	Overall	Aut 17	Spr 18	Sum 18	Overall
Above	1	3	0	2	1	1	3	1	3	3	3	3
Expected	2	0	3	1	2	2	0	2	0	0	0	0
Below	0	0	0	0	0	0	0	0	0	0	0	0

This data shows that our disadvantaged children came into school working below/well below average (30-50 months), however, results data shows that the children made at least expected progress and a the majority made above expected progress.

Children in receipt of Pupil Premium in **Key Stage 1** achieve well at our school and make at least expected progress.

Reading

In Year 1, 2 out of 4 children are working below age related expectations and on average this was still the case by July 2017 although children have made expected progress from their starting points. Data shows that some disadvantaged children have made expected progress in reading.

In Year 2 all children expected progress from their starting points.

Phonics

In Year 1 3 out of 4 children Pupil Premium children achieved the Phonics Screen check. 1 child was disapplied.

In Year 2, 1 out of 2 Pupil Premium children achieved the Phonics screen check retake. The one child who did not meet the standard has Special Educational Needs and made very good progress on their previous score.

Writing

In Year 1, 2 out of 4 Pupil Premium children are working below age related expectations. All children made expected progress from their starting points.

In Year 2, 3 out of 6 children were working at below the expected standards. They all made expected progress this year.

Maths

In Year 1 all Pupil Premium 2 out of 4 children were working below age related expectations. All children made at least expected progress overall (one made just below expected progress).

In Year 2 all 6 children met their target and made good progress. 1 child made above expected progress.
