

Galley Common Infant School 2019-20

Pupil Premium

At Galley Common Infant School we are committed to promoting the progress and attainment of all our pupils, whatever their backgrounds.

The Pupil Premium Grant

Galley Common Infant School received a total of £18,520 for the period of September 2018 to August 2019 as a direct grant from the DFE.

During the academic year approximately 5% (8 children) of Galley Common Infant School children received free school meals, a further 3% were pupil premium plus (5 children), though this fluctuated throughout the year. Listed below is a series of bullet points detailing how this funding has been allocated to Free School Meals (FSM) children:

- All classes in our school have additional support for 5 mornings and an afternoon per week. In Reception the classes have full time support. This ensures that the needs of our pupils can be met in small groups;
- Support is timetabled during the week to give 1:1, paired or small group support focusing on the individual needs of our pupil premium children.
- Our Higher Level Teaching Assistant provides intervention support for any children not making expected progress or reaching the national levels of attainment.
- We have a tracking system which enables us to track the progress of attainment of children in Reading, Writing, phonics and Mathematics on a termly basis. This is analysed to ensure that all children, whatever their backgrounds are able to access the curriculum and are making good or outstanding progress in their learning;
- We have provided funding for those children eligible for free school meals to take part in after school clubs free of charge (up to £50 per child per year).
- We have a nurture group run by two trained Teaching assistants 3 afternoons per week.
- We have a sports apprentice who support children with PE, gross motor focused activities and clubs.

Impact of the Pupil Premium (Sept 2018 – Aug 2019)

As well as the above provision the following costed provision has been set aside for this academic year (funding of £20,388):

Pupil Premium funding for the 2018 – 19 year has been allocated as follows:

Timetabled intervention group and individual support	£11,186
Nurture group staffing (2 x 6 hours per week)	£7110
Nurture group planning (2 x 1 hour per week)	£592
Individual allocation for clubs, trips, uniform 10 PP children)	£1500 (£50 per pupil premium pupil per term based on

Total Expenditure: £20,388

Pupil Premium Impact 2018-19

The charts below show the attainment and progress of our pupil premium pupils. The vast majority of children made at least expected progress from their starting points (with only one child not quite reaching their target in Reading in Year 1 – this is mainly due to the change in curriculums). One child made above expected progress overall in writing and maths in Year 2.

Attainment 2018-19 Pupil Premium

Attainment Pupil premium

Year group	Reading			Writing			Maths		
	Em	Exp	Exc	Em	Exp	Exc	Em	Exp	Exc
Reception	-	1	-	-	1	-	-	1	-
Year 1	2	1	2	2	2	1	2	2	1
Year 2	1	2	-	1	2	-	1	1	1

Reading

In Year 1, 2 out of 5 children are working below age related expectations and on average this was still the case by July 2019 although children have made expected progress from their starting points. All children made expected progress in 2018-19.

In Year 2 all children expected progress from their starting points.

Phonics

In Year 1 4 out of 7 children Pupil Premium children achieved the Phonics Screen check.

Writing

In Year 1, 3 out of 7 Pupil Premium children are working below age related expectations. All children made expected progress from their starting points except for one child.

In Year 2, 1 out of 4 children were working at below the expected standards. They all made expected progress this year with one child making above expected progress.

Maths

In Year 1 all Pupil Premium 3 out of 7 children were working below age related expectations. All children made at least expected progress overall.

In Year 2, 1 out of 4 children were working at below the expected standards. They all made expected progress this year with one child making above expected progress.
