Key Facts

Muslims believe that the world would not function without God just as a balloon would not function without air.

The Muslim word for God is in the Arabic language: Allah.

'God is most great. There is no god but Allah,' are part of what Muslims pray five times every day. They are very important words for Muslims.

The Prophet Muhammad (PBUH) has over 1.5 billion followers who respect him, all over the world, so Muslims believe he is a special leader.

Part of the Muslim symbol is a crescent moon which is to show that faith and belief in Islam can light a person's path in the dark.

Whilst praying, Muslims use a prayer mat for a clean place, water for a clean body and a Qur'an stand for facing Makkah.
