Unauthorised Term-time Absence

There are 190 statutory school days a year; so, there are 175 other days (weekends and school holidays) available for holidays which would not have a negative effect on a child's education. For this reason, and in line with regulations that came into force on 1st September 2013, no holidays will be authorised in term time except in very exceptional circumstances.

From January 2024 the school will move to referring unauthorised absence to the Local Authority. This means that if a holiday or leave is taken without the school's permission the school can consider a variety of initiatives, one of which may be a penalty notice. The penalty notice fine is £60 if paid within 21 days or £120 if paid after 28 days. This will be charged to each parent and for each child within the family at the school. If a penalty notice is not paid or more than 3 referrals for term time leave are made, there may be a prosecution in court.

Free School Meals

Schools should provide meal options for all children attending school. Meals are available free of charge to:

- All infant pupils (reception, year 1 and year 2) – known as universal FSM
- Pupils who meet the free school meals [eligibility criteria](#) – known as benefits – related FSM

If your child is in reception, year 1 or year 2, they will automatically be entitled to universal infant free school meals. However, if you do meet the benefits – related free school meals eligibility criteria, then it is advised you apply to receive additional benefits:

- [Holiday activities and food \(HAF\)](#) programme is for children aged 4 to 16, in reception to year 11, in receipt of benefits-related free school meals. HAF offers eligible pupil's access to activities and at least one healthy meal is provided during each session. The activities take place during the Easter, summer, and Christmas school holidays.
- [Pupil premium](#) is extra funding paid directly to schools for each pupil who is eligible for free school meals. It can help to fund valuable teaching and learning support to improve pupil's education.

You can apply for benefits-related FSM at any time online by clicking the following link:

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>

If you have any questions or need support with applying, please contact the team by emailing freemeals@warwickshire.gov.uk or calling 01926 359189.

LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

The Supreme Court recently reached a decision in the case of *Platt v Isle of Wight Council* which has clarified the law on unauthorised leave, including holidays, during term time. The parents of children of compulsory school age are required to ensure that they attend school on a regular basis. The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

Head Teachers retain the ability to authorise leave in accordance with the Education (Pupil Registration) (England) Regulations 2006. When considering such requests for a leave of absence, the school are obliged to act within the law. Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances relating to the application. If the leave is granted, head teachers are able to determine the number of school days a child can be absent for.

It is for the Head Teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. The school can only consider Leave of Absence requests which are made by the 'resident' parent.

Each application for a leave of absence will be considered on a case by case basis and on its own merits.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence.

Failure to make an application for leave in advance will result in the absence being recorded as an unauthorised absence.

Your child's progress academically as well as socially is our shared priority
