Time Out vs Time In

When children are in 'Time out' and isolated they don't spend their time reflecting on their behaviour choices instead, they spend time thinking about what triggered it – fuelling and growing their initial feelings.

@supporting.young.minds

Time Out vs Time In

If we want children to be reflective on their behaviour, we need to sit alongside them, understand their reasons, offer them alternative choices and make them part of the solution – Time In!!

Free School Meals

Schools should provide meal options for all children attending school. Meals are available free of charge to:

- All infant pupils (reception, year 1 and year 2) - known as universal FSM
- Pupils who meet the free school meals [eligibility criteria](#) - known as benefits - related FSM

If your child is in reception, year 1 or year 2, they will automatically be entitled to universal infant free school meals. However, if you do meet the benefits - related free school meals eligibility criteria, then it is advised you apply to receive additional benefits:

- [Holiday activities and food \(HAF\)](#) programme is for children aged 4 to 16, in reception to year 11, in receipt of benefits-related free school meals. HAF offers eligible pupil's access to activities and at least one healthy meal is provided during each session. The activities take place during the Easter, summer, and Christmas school holidays.
- [Pupil premium](#) is extra funding paid directly to schools for each pupil who is eligible for free school meals. It can help to fund valuable teaching and learning support to improve pupil's education.

You can apply for benefits-related FSM at any time online by clicking the following link:

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>

If you have any questions or need support with applying, please contact the team by emailing freemeals@warwickshire.gov.uk

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court recently reached a decision in the case of *Platt v Isle of Wight Council* which has clarified the law on unauthorised leave, including holidays, during term time. The parents of children of compulsory school age are required to ensure that they attend school on a regular basis. The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

Head Teachers retain the ability to authorise leave in accordance with the Education (Pupil Registration) (England) Regulations 2006. When considering such requests for a leave of absence, the school are obliged to act within the law. Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances relating to the application. If the leave is granted, head teachers are able to determine the number of school days a child can be absent for.

It is for the Head Teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. The school can only consider Leave of Absence requests which are made by the 'resident' parent.

Each application for a leave of absence will be considered on a case by case basis and on its own merits.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence.

Failure to make an application for leave in advance will result in the absence being recorded as an unauthorised absence.

Your child's progress academically as well as socially is our shared priority
