**Road Safety** - this week our Reception children have enjoyed an assembly on the importance of road safety. They received a book, key chain and a sticker at the end, we hope you have enjoyed reading the book together.

**Reminder** - it is our Reading/Phonics Workshop for KS1 Parents on Monday at 9:00am in the school hall. Please join us if you are available.

Could we please ask parents that only urgent messages should be passed on directly to the class teachers in the mornings to allow a smooth start to the day, otherwise messages should be left with the gate staff or phone into the school/email.

### *Our School Rules*

1. Listen Carefully
2. Take Care
3. Try your best

Our school has once again signed up to the Safe and Active Schools Programme 2024-2025. As part of the programme all children will be receiving age-appropriate road safety sessions, and we will also be participating in and promoting active travel.

We recognise how important messaging is for our children. Your children copy your actions, and your behaviour serves as a powerful role model. We would like to ask all our families to model the safest behaviours near the road for children to copy and make good choices around travelling actively on the school run.

We will be sharing messages and ideas from the Safe and Active Schools team and further information about the children's road safety learning in school throughout the year.

For further information about road safety and active travel you can follow or contact the road safety education team.

## School Uniform

At Galley Common Infant School, we take pride in our school uniform. Unfortunately, we have started to notice that a few things are being introduced that are not school uniform.

Below are just a few reminders about our school uniform expectations.

**Ankle boots** should not be worn. The correct school uniform requirement is that children should wear sensible **black shoes**.

**Jewellery** other than stud earrings is not allowed. Children who do wear stud earrings must tape these up or remove them on PE days.

**Nail polish** should not be worn by children at school. Could you please ensure that all nail polish is removed before coming to school.

**Tattoos** - Please ensure tattoos are removed for school.

**Toys in School** - Please do not allow your child to bring in any toys to school, unless permission has been given by a member of staff.

On PE days children should wear a black tracksuit and yellow PE shirt during the winter months and in the summer months blue shorts and a yellow shirt should be worn.

We do hope that you will support us by ensuring that your child continues to wear the appropriate school uniform.

**"The safety of the child is the first and paramount consideration"**

**Child protection concerns** - If you have any child protection concerns, or wish to raise any issues, please feel free to call into school and speak to Mrs Middleton, Mrs Newman, or Mrs Salmon. You can also email [safeguarding2107@welearn365.com](mailto:safeguarding2107@welearn365.com) You can also speak to a member of the Social Care Emergency Duty Team on 01926 886922.

## The Highway Code / School Keep Clear Signs / Zig-Zags/ Double Yellow Lines:

Warwickshire Road Safety Partnership would like to remind parents of The Highway Code. The Highway Code states: "You **MUST NOT** wait or park, or stop to set down and pick up passengers, on school entrance markings." (Highway Code rule 238, Road Traffic Regulation Act 1984.)

School Keep Clear markings mean no stopping during the time and days specified on adjacent or nearby signs. The markings help prevent vehicles from parking near or in front of school entrances, to ensure safe access for children and parents.

**Please park safely, legally and considerately and away from the school gates.**

**ILLNESS** - If your child is ill and not able to come to school, please telephone the school office by 10.00am to give a reason for their absence. If we do not hear from you by 10.00am, Miss Doherty will be ringing you to find out why your child is absent.

**If your child is sick or has had diarrhoea, they should NOT come back into school, until they have been clear for 48 hours.**

Please **send a note** with your child when they return to school, explaining their absence. Thank you.

**Packed Lunches** - as a parent/carer you play an important role in setting an example and teaching your children from a young age about choosing healthy food and drink. This will help them to have a nutritious diet that meets their growing needs and help to make sure they continue to eat healthily as they get older. It is important children are eating the right amount of food for their age. Young children need small portions of food whereas older children need larger amounts.

## LEARNING IMPROVEMENT PRIORITIES 2024/2025

KEY PRIORITIES	PRIORITY
PRIORITY 1.	Continue to meet the social and emotional wellbeing needs of all of our children, including meeting the needs of our Special Educational Needs children.
PRIORITY 2.	Improve the writing practice and progress so that most children meet or exceed the expected standard for the age. Embed the Jo Considine The Write Stuff approach to enhance the writing planning so that all learners, including Greater Depth writers reach their full potential.
PRIORITY 3.	To re-establish a whole school culture where behaviour, routines and expectations are implemented positively and consistently, reducing incidents of low-level behaviours
PRIORITY 4	Further develop maths teaching, training and delivery so that children reach their full potential in maths including those working at greater depth.

## Free School Meals

Schools should provide meal options for all children attending school. Meals are available free of charge to:

- All infant pupils (reception, year 1 and year 2) - known as universal FSM
- Pupils who meet the free school meals [eligibility criteria](#) - known as benefits - related FSM

If your child is in reception, year 1 or year 2, they will automatically be entitled to universal infant free school meals. However, if you do meet the benefits - related free school meals eligibility criteria, then it is advised you apply to receive additional benefits:

- [Holiday activities and food \(HAF\)](#) programme is for children aged 4 to 16, in reception to year 11, in receipt of benefits-related free school meals. HAF offers eligible pupil's access to activities and at least one healthy meal is provided during each session. The activities take place during the Easter, summer, and Christmas school holidays.
- [Pupil premium](#) is extra funding paid directly to schools for each pupil who is eligible for free school meals. It can help to fund valuable teaching and learning support to improve pupil's education.

You can apply for benefits-related FSM at any time online by clicking the following link:

<https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>

If you have any questions or need support with applying, please contact the team by emailing [freemeals@warwickshire.gov.uk](mailto:freemeals@warwickshire.gov.uk) or calling 01926 359189.

## Car Parking

This is a polite request to ask all parents who need to drive to school to remember to park considerately and safely at school drop off and collection. Please park with care and help make the area near and around our school a safer place for our children. Parking away from school will also help keep congestion to a minimum and maintain a good relationship with our neighbours.

There is car park available opposite the school site, and the Community Church.

We all want to help keep our children safe - please take some time to read and remember Warwickshire County Councils road safety code for parents:

- Park away from school gates
- Always hold hands with young children
- Remember - your child will copy you
- Every road means STOP LOOK LISTEN
- Never get children out of a car roadside
- Think safer places to cross the road
- Secure your child's car seat correctly

Let's all work together to keep all our children safe outside school.

## LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

The Supreme Court recently reached a decision in the case of *Platt v Isle of Wight Council* which has clarified the law on unauthorised leave, including holidays, during term time. The parents of children of compulsory school age are required to ensure that they attend school on a regular basis. The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

Head Teachers retain the ability to authorise leave in accordance with the Education (Pupil Registration) (England) Regulations 2006. When considering such requests for a leave of absence, the school are obliged to act within the law. Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances relating to the application. If the leave is granted, head teachers are able to determine the number of school days a child can be absent for.

It is for the Head Teacher to decide what is 'exceptional' and it is at their discretion if the circumstances warrant the leave to be granted. The school can only consider Leave of Absence requests which are made by the 'resident' parent.

*Each application for a leave of absence will be considered on a case by case basis and on its own merits.*

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence.

Failure to make an application for leave in advance will result in the absence being recorded as an unauthorised absence.

**Your child's progress academically as well as socially is our shared priority**
